

DAY – 9

I made a simple static form using rows and columns.

Each row is for a task, and each column shows task details like name, URN, and Branch Details.

The screenshot shows a web browser window with the address bar displaying the file path: C:/Users/kaury/OneDrive/Attachments/web/table1.html. The page content includes a yellow smiley face emoji and a pink oval with a blue border. Below these is a table with student details. At the bottom of the page, there is a dark banner with the text "CONVERGE INTO THE FUTURE OF" and a logo for "DigMontic" with the tagline "GET IN TOUCH".
