

# Day 79, 80

## Task : Implement a crud table

The screenshot shows a web browser window with multiple tabs open. The active tab displays a "Student Management System" page. The page features a table with columns: ID, Name, Branch, Section, Email, Phone, and Action (with Edit and Delete buttons). Below the table is a form titled "Add New Student" with fields for Name, Branch, and Section. The browser's taskbar at the bottom shows various pinned icons and system status.
